## Dinosaur Movement Cube

Can you stomp like a Stegosaurus? Or prowl like a T-Rex? With this fun movement cube your little one will practice their gross motor skills while pretending to be different dinosaurs from millions of years ago.

### You'll need:

- Dino Movement Cube template
- Scissors
- Tape or glue

### What to do:

1. Cut out the cube on the solid lines.
2. Fold along all the dashed lines.
3. Tape or glue the flaps on the inside of the cube.
4. Roll the cube and move like the dinosaur!
